CAREER OBJECTIVE

An enthusiastic Data Science graduate eager to start my professional career by working with real datasets, enhancing my analytical skills, and contributing to innovative projects in a growth-oriented organization.

EDUCATION

Sumathi Reddy Institute of Technology for Women

B.Tech in Computer Science (Data Science)

Nov 2022 – Present

CGPA – 8.0

Shivani Junior College

MPC - Telangana State Board of Intermediate Education

Sept 2020 – May 2022

Percentage- 82.9

Dr. P. V. R R . T.S.R. School Girls

10th Class - Telangana State Board of Secondary Education

June 2019 – March 2020

CGPA – 10

PROJECTS

Migrant Labor Management System

Technologies: Python, HTML,CSS,MongoDB, Power BI

- Developed a role-based Migrant Labor Management System with Labor, Officer, and Admin modules to streamline job allocation and workforce management.
- Implemented a MongoDB-based centralized database to manage labor profiles, job postings, and employment records efficiently.
- Created interactive Power BI dashboards to visualize migration trends, workforce distribution, and employment patterns.
- Built Python-based data preprocessing pipelines to clean, validate, and organize large labor and job datasets.
- Enabled data-driven decision making for labor allocation and resource planning, reducing manual record handling and improving accessibility.

Smart Car Parking System

Technologies: Python, IoT Concepts, Database Management

- Analyzed urban parking challenges caused by increasing vehicle density and inefficient parking utilization.
- Designed a smart parking solution providing **real-time parking availability** to users.
- Implemented logic for **push notifications** to guide drivers to available parking slots, reducing search time and congestion.
- Improved parking efficiency and user experience through automated monitoring and alert mechanisms.

SKILLS

Programming: C, Java, Python, SQL,HTML,CSS

Database Systems: MySQL

Version Control :-Git Hub

Soft Skills: Analytical Thinking , Teamwork, Communication, Time Management, Adaptability

CERTIFICATIONS

- java -internpe (June–July 2024)
- Python - Elewayte

EXTRA CURRICULAR ACTIVITIES

- I have participated in School and College level Sports Competitions Cultural Programs.
- Active participation in Technical Quiz at Innovision 2024.
